

Dear Exhibitors,

**CLARIFICATION - FAIRGUIDE/CONSTRUCT DATA PUBLISHERS**

It has been brought to our attention that some of our exhibitors have recently received a letter from Fair Guide/ Construct Data Publishers, requesting for an update of their company data in the Fair Guide Exhibitors Online Directory Listing. Attached with the letter is a form titled 'Exhibitors Directory for Fairs and Exhibitions' for exhibitors to fill in.

We wish to clarify that Asia Pacific Maritime (APM) is in no way affiliated or associated to Fair Guide/ Construct Data Publishers. Their forms should not be confused with the official catalogue entry forms for APM. All official APM correspondence is fully branded with the show logo and official contacts.

We strongly advise exhibitors to exercise extreme caution should you receive such solicitation from Fair Guide/ Construct Data Publishers.

Should exhibitors require more information regarding the above advisory, please feel free to contact us at [apm@reedexpo.com.sg](mailto:apm@reedexpo.com.sg).

Yours sincerely,

The APM team
